

CHARGING THE BATTERY

Models DCd03 and DCd05

STEP 1 Locate battery charger and charger receptacle on dispenser. Plug charging unit into wall socket.

STEP 2 Connect charging receptacle on dispenser to matching receptacle on charger. If battery level is low, the light on the charger will turn red.

USE ONLY THE BATTERY CHARGER SUPPLIED WITH YOUR DISPENSER
READ ALL WARNING LABELS ON THE CHARGER
DO NOT REMOVE COVER ON DISPENSER WHEN CHARGING
